Farm to CSB: Horticulture Short Course

December 12 - 16, 2016

Ages: 10 - 14

The California School for the Blind is proud to announce its first horticulture short course week. Students are invited to attend a week of experiential learning at CSB where they will examine where food comes from and get hands on experience farming, planting, and preparing a meal using ingredients that come fresh from the earth. This will not be a lecture-based week; our Orientation & Mobility staff will lead students as they get their hands dirty learning about the parts of a plant and exploring the stages of plant life. Get a behind-the-scenes look at CSA (Community Supported Agriculture) boxes with Imperfect Produce and try out your green thumb at a farm, nursery, or botanical garden. Get excited to unearth your gardening potential.
